

Community Pharmacy Transformation Workshop

Speakers:

Jacqueline Henricks—Pharmacy Business Support State Manager

Nicholas Efstathis—Business Support Pharmacist

Danny Agnola—Professional Practice Pharmacist, Primary Health Care

Workshop description

Join the Pharmacy Guild's Queensland Pharmacy Business Support Team for a complementary workshop to provide you with the knowledge and skills to accelerate growth, increase profitability, and utilise business opportunities for your pharmacy.

This interactive workshop includes sessions on:

- the value of data in community pharmacy
- pharmacy change management journey
- how data can influence outcomes
- professional services—the real cost
- how to link with Primary Health Network (PHN) strategies.

CPD credits available

The Pharmacy Guild of Australia
QLD Branch
