

Conference 2018

Connecting our health care together

1-2 September 2018

Pre-conference professional development workshop

31 August 2018 | MECC | Mackay, Qld

Wound care—the next step

Speakers: Cheryl White and Louise Webber

All health care professionals are invited to attend a full day pre-conference workshop on wound care, including cellulitis management. Presented by Cheryl White, Nurse Practitioner, Wound Care Matters and Louise Webber, Nurse Practitioner, Advanced Wound Practice.

This workshop will provide participants with fundamental skills and knowledge to enhance their wound management practice.

Learning outcomes:

- cellulitis assessment and management
- skin integrity and oedema management
- general lower limb assessment
- ABPI's implications and compression bandaging
- product and selection options
- interactive clinical case studies and questions.
